

Paddington Station Preschool

Cultivate • Collaborate • Inspire

# Annual REPORT

## 2013 • 2014

*Paddington Station Preschool is a welcoming and inclusive community that partners with families to celebrate childhood, embrace learning through play, and prepare confident individuals to joyfully explore the wonders of the world.*

Dear Paddington Community,  
The 2013-2014 school year was my first as a part of the fabulous community. It has been a memorable and positive year as we develop a culture of *cultivation, collaboration and inspiration* here at Paddington

Station. These three words are the guiding values of our first-ever strategic plan.

Paddington Station is beginning to *cultivate* a culture and identity that will shape our work and community now and in the coming years. Each day is a new opportunity for every member of our staff, families and community to support and strengthen our mission, as we grow our welcoming and inclusive community.

I must thank everyone in our community as we all *collaborate* in our mission to prepare confident individuals to joyfully explore the wonders of the world. The staff and faculty's tireless work and dedication to the children of the community are the cornerstone of our school. A special thanks is deserved for the seventeen individuals who volunteer their time and efforts as members of our Board of Trustees. Their collaboration helps to ensure the long-term success and sustainability of Paddington Station. This report would not be complete without the recognition and statement of gratitude for the partnership all our families have with Paddington Station. This partnership is not only a financial one, but even more importantly one that includes many hours of your time and the trust you give to Paddington Station to share your wonderful children with us!

Every day is a celebration of the children and our school. It is clear to me that the happiness and joy of the children is what *inspires* each of us to celebrate childhood and embrace learning through play. It has been a wonderful year full of exploration, learning and growth. Thank you for being a part of the Paddington Station community.

**Deb Deverell**  
Head of School

Dear Paddington Community,  
The 2013-2014 school year was one of important growth and intentional planning for Paddington Station Preschool. We welcomed the leadership and energy that Deb Deverell brought to the

Paddington community. With the implementation of the strategic plan Paddington Station is poised to continue its growth and success for years to come.

The teachers and staff were phenomenal and an integral aspect of the success of the school, as always. Their dedication and time are an inspiration. The Board of Trustees are grateful for all that everyone in the community puts into this school and for entrusting your children and their educational foundation to Paddington Station.

The work of the Board of Trustees is diligently done with great care and consideration. The overall financial sustainability of Paddington Station is managed prudently and thoughtfully, in order to provide the children the best possible experience possible.

The Paddington Station Board of Trustees would like to express our immense gratitude for all that each of you do to make Paddington Station such a wonderful place for the children to come explore, learn and play.

**Maureen Shul**  
President, Board of Trustees

### Teachers

- |                   |                  |
