

Paddington Station Preschool

Cultivate • Collaborate • Inspire

Annual REPORT

2015 • 2016

*Paddington Station Preschool is
a welcoming and inclusive
community that partners with
families to celebrate childhood,
embrace learning through play,
and prepare confident
individuals to joyfully explore
the wonders of the world.*

The 2015-2016 school year was marked by continued growth. We measure progress in different ways: a few more giggles in the hallway, some additional pitter-patter of small feet, and a more diverse and inclusive community. We are proud of the accomplishments we have all made together. On the infrastructure

side of things, we researched replacing our boiler, added energy-efficient interior and exterior lighting, replaced the perimeter fencing, and added new exterior surveillance cameras.

None of this could have happened without the support and vision of our Board of Trustees, the multi-talented faculty and staff, our fabulous families and the greater Denver community. Such partnerships are not only financial ones; they come with hours of your time and the trust you give to Paddington Station by sharing your wonderful children with us. We had another great year of cultivation, collaboration and inspiration!

We remain devoted to our mission in all we do at 1301 Quebec Street - Paddington Station Preschool is a welcoming and inclusive community that partners with families to celebrate childhood, embrace learning through play, and prepare confident individuals to joyfully explore the wonders of the world. This mission statement helps guide decision-making in all aspects of school life, fosters workshop topics for teachers, and helps us initiate parent education courses.

Every day is a celebration of the children and our school. We are continually looking for new ways to promote playfulness, creativity, risk-taking, and exploration in our community-focused school. We thank you for being a part of it.

On September 17, 2016 we honored the 125th anniversary of our historic building by planting several hundred daylilies. Over 300 people attended the Birthday Bash! We look forward to the spring and summer months of 2017 to enjoy the color added to our school. I hope you will get involved to the extent that you can in the school this year.

Deb Deverell
Head of School

Welcome to the 2016-2017 school year ahead! Paddington Station finished one of its strongest years to date in terms of enrollment and financial strength, and is poised and prepared to continue on that path of growth and excellence. As chair of the Paddington Station Board of Trustees, I welcome and thank our community of families whose support, generosity and involvement help make Paddington the special place that it is. Entrusting your children to our dedicated teachers and staff is a responsibility we do not take lightly, and which motivates all of us to ensure your children receive the strongest, safest and best educational foundation possible.

The Board of Trustees is responsible for the fiscal strength and continued sustainability of Paddington, which would not be possible without your support. Together we have implemented the most comprehensive safety and security improvements in Paddington's history, a project begun several years ago and near completion.

The heart and soul of Paddington resides in our dedicated staff and teachers, whom we consider to be second to none. We are committed to ensuring the processes, tools and environment are in place to provide your children with the most unique community in which to explore, learn and play.

On behalf of the Board of Trustees, our deepest gratitude to our staff, teachers and families for bringing Paddington to this point of excellence, which we view as a platform to soar even higher.

Maureen A. Shul
Chair, Paddington Board of Trustees
