

Cultivate • Collaborate • Inspire

Annual REPORT

2016 • 2017

Paddington Station Preschool is a welcoming and inclusive community that partners with families to celebrate childhood, embrace learning through play, and prepare confident individuals to joyfully explore the wonders of the world.

Cultivate-Collaborate-Inspire. Our Annual Report gives us a chance to share and thank each of you for your overwhelming generosity to this community. That generosity helps us to live our mission daily. We are proud of the accomplishments we have made, all together.

In September, we honored and enriched the environment of our 125-year-old historic building by planting day lilies. Our hope was to plant 250 plants --- over 300 of you attended and we ended up planting far more lilies than we had expected; their yellow blossoms are beautiful reminders of the strength of our Paddington community.

Just like the cultivation of new growth on our property, we collaborated with many people to improve our learning environment through physical plant improvements. We added exterior LED lighting, a new boiler, interior and exterior security cameras, and a new hot water heater to our property.

Through your giving, we have also provided funding toward tuition for many families by granting financial assistance.

You have inspired each of us affiliated with the school--- faculty, staff, and the Board of Trustees--- to continue to provide a quality preschool education on behalf of the children and families we serve. Every day is a celebration of the children and our school. We continue to look for new ways to promote playfulness, creativity, risk-taking, and exploration in our community-focused school. On behalf of the entire Paddington community, thank you for supporting the school on so many levels.

With gratitude,

Deb Deverell
Head of School

On behalf of the Paddington Station Board of Trustees, thank you for being part of our 2016-2017 school year! I am proud to report to you that Paddington Station continues to be a strong and joyful school for children with sustainable systems in place.

We are so excited about the upgrades and improvements to this historic building and all the bright and creative touches that make Paddington a special home away from home. The dedication, energy and excellence of the teachers and staff sets Paddington apart from other preschools.

The Board of Trustees, in close collaboration with the Head of School, strives continually to ensure the teachers and staff are given every tool to provide your children the most unique and safe environment in which to play, explore and learn.

These improvements and enhancements are made possible by you, the Paddington community. Your support, generosity and involvement are what make Paddington a strong and extraordinary school. The 2016-2017 annual fund raised \$126,000 which speaks to the robust participation in Paddington's future from staff, teachers, trustees and each of you. Our goal is to continue to cultivate generosity in order to sustain and build upon Paddington's solid foundation.

Paddington is, above all else, a family of teachers, staff, trustees, children, parents, grandparents and friends, and we are proud to be involved in ensuring each child receives the most unique learning experience. Thank you for being part of the Paddington family!

Kind regards,

Maureen A. Shul
Board President
