

Paddington Station Preschool

Cultivate • Collaborate • Inspire

Annual REPORT

2019 2020

Paddington Station Preschool is a welcoming and inclusive community that partners with families to celebrate childhood, embrace learning through play, and prepare confident individuals to joyfully explore the wonders of the world.

Letter from the Head of School

The 2019-2020 school year has been challenging, to say the least. When we started in August of 2019, we did not know the phrase COVID-19. Nor did we know that we could be nimble, flexible, and adept at social distancing, mask wearing and increased hand-washing.

We have been forced to rethink our notion of school, redo our admissions work, and partner with you as we all think through the best ways to secure a safe and healthy new Paddington. Our community has demonstrated daily the responsibility we have toward one another to adhere to the health and safety recommendations of experts in the fields of public health, medicine, and education.

We made the decision to limit class size to ten students. The relationships formed, and the genuine care exhibited toward one another, is evident daily. Kindness is modeled and practiced throughout the day. This is one amazing community!

As a mission-driven school, we believe in PLAY (even in a global pandemic). At Paddington, we strive to create an environment that demonstrates health and safety. And one that embraces creativity, caring, collaboration, vocabulary building, joy, kindness, books, appropriate risk-taking, questioning, working together, blocks, childhood, diversity, building resilience, perspective taking, discovery, reflection, being curious, sharing, laughing, imagining, learning how to be a good friend, equity, helping, empathy, life-long learning, taking turns, inclusion, celebrating likenesses and differences, and pretending.

Your patience, messages of goodwill, and appreciation for the last eight months have been wonderful and constantly uplifting. We so appreciate your partnership as we navigate the evolving landscape of running a school in a global pandemic.

Thank you.

Deb Deverell
Head of School

Letter from the Board Chair

Another year has come to the halls of Paddington Station, and so much has changed. Yet despite the events of 2020, the school remains strong. This is a testament to the dedication and thoughtfulness of the faculty, staff, and administration. Our community remains dedicated to the notion of allowing children to have a sense of normalcy while navigating a

tumultuous world. The Board of Trustees cannot thank our teachers enough for their commitment and flexibility during this school year. It is because of each member of Paddington's staff that children are still in school today.

The Board of Trustees faced many difficult decisions this year surrounding school closures, class sizes, and financial planning. Their dedication has ensured that the school remains fiscally secure and can continue to educate children in years to come. Paddington still relies heavily on the generosity of our families and this year is no different. No one in our community has remained untouched by current events, so please consider how Paddington has remained ever present. I ask each of you to consider donating to the Annual Fund and helping us continue to offer scholarship, education, and growth to the children of Paddington.

Finally, and most importantly, I would like to thank our parents for placing their trust in Paddington Station. Each family made strong commitments to the school when faced with great ambiguity and we hope each family continues to support the school in the years to come. Parents have remained flexible and understanding of the changing environment. Parents have been so supportive of our faculty and continue to show little moments of gratitude for all the teachers and staff.

It has been an honor to continue to serve Paddington Station, its staff, and its families. I look forward to seeing an end to 2020 and have excitement and hope that 2021 will be a phenomenal year.

Thank you all again,

Andrew F. Prouse, MD
Chair, Paddington Station Board of Trustees

2019-2020 Team

Teachers

Wendy Barclay	Anne Mairs

Paddington Station participates in the Denver Preschool Program (DPP). Tuition assistance is awarded to all Denver families the year before children are eligible for Kindergarten. Families who do not wish to receive the tuition credit have the option of donating the funds back to Paddington.
