Paddington Station Summer Camp offers an engaging day-camp experience, built around a variety of weekly themes. Campers learn through play as they experiment, explore, observe, and make discoveries about the world around them. Campers will also have the opportunity to enjoy time outside to run through sprinklers, get messy in the mud kitchen, and participate in other fun outdoor activities! Camp at Paddington is filled with hands-on, play-based experiences and enriching gross motor activities that campers are sure to enjoy!

**June 8 – July 31, 2020**

**8:30 am – 12:30 pm**

Registration Packets are available  
online and in the School Office

Paddington Station Preschool

Cultivate • Collaborate • Inspire

Dear Families,

Summer is just around the corner!

Paddington is excited to offer a summer camp program for \*three, four and five-year-old's (two-and-a-half-year-olds who have completed one year at Paddington may enroll). Camp at Paddington is filled with hands-on, play-based experiences and enriching gross motor activities, both inside and outside in our outdoor classroom. This year, we are offering camp from 8:30am-12:30pm. Your child can attend one, two or up to seven weeks of camp. Attached, you will find the camp informational documents and registration form. Registration is due by Monday, February 24, 2020. Please note that there is a \$285 non-refundable deposit due with your registration. The balance is due on or before May 15<sup>th</sup> for camps in June and by June 15<sup>th</sup> for July camps. If you are only signed up for one week of camp, you will be paid in full with your deposit.

An email confirming your registration will be sent once your documents and deposit have been received. There is a minimum number of enrollments needed for each week of camp to run. In the unlikely event that a week does not meet the minimum number needed, you will be notified of any cancelled weeks and refunded by April 1, 2020.

Current families, please call the office if you have upcoming expiration dates on a general health appraisal form, emergency card, and if relevant, the health action plan or other school forms.

If you have any questions, please feel free to contact me, or the School Office. We look forward to a wonderful summer with your family.

Warmly,

Nea McKeehan  
Director of Preschool and Kindergarten

## Camp Themes by Week

**Week 1, June 8-12: Jungle Safari:** Grab your binoculars as Paddington teachers guide campers on an investigation of lively jungle habitats through a variety of engaging hands-on activities.

Campers will explore the tropical climate of jungles and rainforests and learn about many of the trees, plants, birds, insects and animals that inhabit jungles around the world.

**Week 2, June 15-19: Off the Wall Art!** Children will use endless materials to express themselves through artistic mediums as they construct, craft and collaborate on works of art that are out of the ordinary. Passionate teachers and a visiting artist will support the children as they explore new ways to use common tools, indulge their imagination, and create 3-D works of art without boundaries.

**Week 3, June 22-26: Story Explorers:** Let's approach familiar stories through theatre as children read, explore character roles and reenact some of Paddington Bear's favorite stories. Teachers and a visitor from the theatre will support the children in creating a culminating performance for their peers.

**Week 4, July 6-10: The Science of Cooking:** Get ready to experiment with common household ingredients in uncommon ways! The curriculum is crafted to build independence, critical thinking skills and support decision making as children measure, mix, bake and cook all day! Our wonderful teachers and a guest chef will inspire children in this week of delicious learning.

**Week 5, July 13-17: STEM: Building and Engineering:** Legos, blocks, loose parts, train tracks and other materials will be provided for campers to construct towers, design and build cities, and create a variety of structures from their own imaginations! Campers will also have the opportunity to demonstrate their creativity in some edible engineering challenges using marshmallows, pretzels, and other yummy materials. A special guest will be on hand to support children's learning and to share their expertise on building and construction.

**Week 6, July 20-24: Adventures Around the World:** Pack your suitcase and embark on an adventure into exciting new territories! With curriculum crafted to share the landscapes, communities, animals and celebrations of people around the world, enthusiastic teachers will act as guides on this trek through exciting destinations around the globe.

**Week 7, July 27-31: Growing with our Gardens:** Children will plant and tend to our Paddington gardens with curriculum crafted to build their understanding of the plant life cycle. Teachers and a master gardener will inspire children as they cultivate a love of nature and the outdoors in this week of hands-on learning.
