Dear Families,

Summer is just around the corner!

Paddington is proud to offer a summer camp program for three, four and five-year-olds (two-and-a-half-year-olds who have completed one year at Paddington may enroll). Camp at Paddington is filled with hands-on, play-based experiences and enriching gross motor movement, both inside and outside. This year, we are offering camp from 8:30am-12:30pm Monday through Friday. Your child can attend two or three week sessions or up to six weeks of camp. We have planned a camp format that will follow all current COVID guidelines to keep children, families and faculty safe. This year, you can register for camp electronically [here](#). If you prefer a paper registration form, please contact me directly. Registration is due by Monday, March 1st. Please note that there is a \$285 non-refundable deposit due with your registration. The balance is due on or before June 1st for camps in June and on or before July 1st for July camps.

An email confirming your registration will be sent once your documents and deposit have been received. There is a minimum number of enrollment needed for each week of camp to run. In the unlikely event that a session does not meet the minimum needed, you will be notified of any cancelled or amended schedule by April 1, 2021.

Current families, please call the office if you have upcoming expiration dates on your general health appraisal form, emergency card, and if relevant, the health action plan or other school forms.

If you have any questions, please feel free to contact me, or the School Office. We look forward to a wonderful summer with your family.

Warmly,

Rachel Gillen
